Located in a Haussmannian building built in 1860, this 270m2 apartment occupies the entire fourth floor and enjoys a view of the American Cathedral and of the luxury residence of the great couturier Léonard.

Gérard Faivre continually declares that for him, Paris is an inexhaustible source of inspiration. With its rich history, culture and art de vivre, the most beautiful capital in the world gives him the opportunity to present, in each of his projects, his **unique concept of "luxurious ready to live-in apartments" available for purchase with a built-in concierge service.**

Gérard Faivre, a **reference in the world of high-end real estate**, is passionate about all elements of design and of the exceptional. He stands for modern values and aims to create projects that are truthful to the times we live in. By using his creativity to combine the history of the magnificent buildings in which his projects are housed with the stylistic values of contemporary design, Gerard Faivre gives to his unique interiors the possibility of existing in harmony with the present.

THE BRAND GÉRARD FAIVRE PARIS OFFERS ITS INTERNATIONAL CLIENTELE THE ABILITY TO FULFILL THEIR DREAM OF ACQUIRING A SEASONAL PROPERTY IN PARIS.

The Pierre I de Serbie apartment is located in Paris' Golden Triangle, the most exclusive area of the city. This zone enjoys international recognition because of its beautiful avenues, such as Avenue George V, Avenue Montaigne, Avenue Pierre 1er de Serbie, and Avenue des champs Elysée and for the stunning mansions, palaces and Haute Couture and Luxury boutiques that beautify them.

The Avenue Pierre I de Serbie has always attracted a prestigious clientele.

For this project, each table, sculpture, light fixture and wall is a unique piece exhibited as envisioned when Gerard Faivre conceived the project. He also incorporates new technologies, air-conditioning units and a state of the art sound system throughout the apartment.

"As a famous artist paints, Gérard Faivre creates his own masterpieces."

"A UNIQUE APARTMENT READY TO LIVE IN," which is truthful to his concept.
